

TEATRO
ZINZANNI®

...at your event!

What is the

experience...?

Teatro ZinZanni is an original show which combines European cirque, cabaret, comedy and live music served up with a multi-course feast.

The show is presented in a gorgeous, climate-controlled antique cabaret *spiegeltent* (mirror tent). Imported from Belgium; the Seattle *spiegeltent* is nicknamed the *Moulin Rouge*. Built in 1910, it boasts stained glass, hand-carved wooden interior columns, polished crystal and vintage mirrors. Guests are seated restaurant-style in this unique venue, and the action of the show surrounds the guests throughout the circular structure.

The *Moulin Rouge* comfortably seats 285 guests.

Now...let us bring THE TEATRO ZINZANNI PHENOMENON TO YOU!!

Teatro ZinZanni, the spectacular international production combining cabaret, cirque, live music, theatrical arts, and hijinks can be the centerpiece of your next event.

Creating a TEATRO ZINZANNI show for your group...

Offsite TZ shows span the gamut from a selection of two or three specific acts interspersed in your program, to an immersive theatrical experience with characters, a live band, and interactive host, and songs and scenes about your group.

Budgets depend on the number of performers, the types of acts, production requirements, visual design, and advance writing, meeting and preparation. Show budgets can range from \$15,000 to \$150K.

We are an efficient and well-oiled machine, with bookable acts, characters, and show elements at the ready, easily assembled to suit your budget, culture, and the flavor of your event.

Our producing and directing team will meet with you to discuss how to incorporate a host/emcee, comic characters, beauty, skill acts and live music into your existing program, OR work with you to design a theme and show the likes of which your audience has never seen before!

We also will coordinate all the production elements with the venue (sound, lights, staging, rigging), taking all the show and production details off your shoulders.

On the pages that follow, we've listed several ideas to get the creative ideas flowing. They include show templates of different lengths, examples of talent for hire, and the idea of creating a unique, customized show, just for your event. Let's work together to make something magical!
